DOCKETED

MAY 21 2010

AZ CORP COMMISSION
DOCKET CONTROL

DOCKET NO. S-20714A-09-0553

Misapplication of a statute or regulation is unconstitutional and is not entitled to force of law;

Involuntary servitude is prohibited in this State;

Profiling of an individual because of an acquaintance to another individual is a violation of individual, human, and constitutional rights:

No regulations or rule have been violated by Theodore J. Hogan

No controversy exists.

With no controversy, the State is without interest.

When the State has no interest, the State has no standing.

No documents have been produced to prove violations exist.

Full discovery has not been given by the Corporation Commission and partial discovery was late and was lied about.

One cannot answer ghost fabrications or secrets or lies without discovery or presentation.

A false fairy-tale complaint (and from an unknown who) is not entitled to enforcement under law.

Witness tampering and intimidation is a criminal offense.

Character assassination by Arizona investigator(s), other States agent(s), and Federal agent(s) is a liable offense.

Misrepresentation of events, documentation, and facts is illegal and unacceptable behavior.

Omissions of vital information or the withholding of relevant information is unacceptable and constitutes willful act of perjury under administrative codes and laws.

A State agent of Arizona misstating that they are acting on their own while being prodded by rogue Federal Agent(s) and other State agent(s) is a conspiracy and a violation of rights of the TARGETED individual.

Further it is hard to supply a witness list when one is without a satisfactory discovery from the Commission representatives. It is a right through the Constitution and God for everyone to face their accuser.

Coy and Baran avowing that they had vague knowledge of the New Mexico case was nothing short of lying. Evidence will be submitted that they were in contact and were well aware of the proceedings.

The strategy that is intended by Daniel Tanaka, aka Daniel Thomas and Joe Waller were to have the Arizona Corporation Commission rule against Theodore J. Hogan so that they can introduce the potential adverse ruling into the New Mexico Court. Further, after my "Not Guilty Verdict" in Federal Court in January of 2007 where my finances were brought up and it was ruled not as investments but as "LOANS" by an all White Jury. I was acquitted even though the Federal Judge would not allow the forensic audit of my finances and payment of restitution into evidence.

Joe Waller has gone to the State of Virginia and had the Virginia Corporation Commission rule against me in my absence. Joe Waller has gone to the State of Illinois to the Corporation Commission seeking the same results. Joe Waller has gone to New Mexico to work with Daniel Tanaka aka Daniel Thomas and numerous other States on the same charges. This action is completely against my individual, human, and Constitutional rights. I have the right as a human being to life, liberty, and the pursuit of happiness.

After Judge Stern gave a continuance to after the New Mexico trial, New Mexico now gave a continuance to sometime later, yet undetermined.

Further, I respectfully ask for a dismissal of DOCKET NO. S-20714A-09-0553.

In the event that the hearing proceeds;

By-Cause; Arizona is responsible and liable to bring in the following witnesses:

Palmer Hoovestall

Lucy Takes The Horse

Loren Old Bear

Kate DePinto

Daniel Tanaka aka Daniel Thomas

Attorney General of the Great State of Arizona

Fred Schurman

Hughes brothers

The list that Coy presented

A list of the Land/Mineral owners will be supplied once there is full discovery and the representatives of the Arizona Corporation Commission are charged with violations against Arizona Corporation Commission rules, regulations, and directives from the Administrative Judge.

Other documentation will be filed once the true nature of the hearing and the accusers are known.

With Great Respect,

Theodore J. Hogan
